COVER LETTER

**AHMEDABAD,
GUJ, INDIA**

05/25/2021

DEAR MANAGEMENT,

After reviewing your job description, it's clear that you're looking for an extremely familiar candidate with the responsibilities associated with the role and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a proactive professional who has been consistently praised as quality-oriented by my co-workers and management. Over the course of my 11-year career, I've developed a skill set directly relevant to the role you are hiring for, including application development, web platform development, and advanced technology. Overall, I have consistently demonstrated leadership, communication, and research abilities in every aspect of my Senior Software Engineer role at Everledger, and I invite you to review my detailed achievements in the attached resume.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at (798) 439-1191 or via email at email@shivamdhruva.com to arrange a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

ADDRESS:
